

WiSACWIS Release 3.7 Notes

Activity Notes

4038	New Drop Down Item for Case Notes.	A new case note type of '60-Day Review' has been added under the Legal case note category.
------	------------------------------------	--

Activity Notes

5126	For Prov Note add type 'Training' for Cat 'OHCUC'	For Provider Notes, a type of 'Training' was added for the category 'OHCUC'.
------	---	--

Activity Notes

5134	New Case Note Type	The type 'Decision Made Not To File' is available under Legal category in the Case Note creation window.
------	--------------------	--

Activity Notes

5330	Face-To-Face Contact	New and updated values (Worker/Parent Contact in Home, Worker/Parent Contact Out of Home, Other/Parent Contact in Home, Other/Parent Contact Out of Home) are displayed in the Face-to-Face Contact Type dropdown menu under Ongoing Services (Narrative)
------	----------------------	---

AFCARS

5020	AFCARS error logic for 49 as it relates to 41	When #41 (AFCARS values) equals group home, institution, hospital or things like this, according to AFCARS you cannot have a foster caretaker structure (#49). This edit has been removed to accommodate the fact that this is not always the case in Wisconsin (family group home).
------	---	--

AFCARS

5065	AFCARS counts plcm that occur after rptng period	AFCARS Elements #19 (Total Number of Removals (Episode)) and #24 (Number of Placements within Current Episode) will not count any placements that occurred after the Report Period End Date.
------	--	--

AFCARS

5080	AFCARS Exception # 45	Updating Element #45 (First Caretaker's DOB) on the AFCARS window now updates the caretaker's Person Management record.
------	-----------------------	---

WiSACWIS Release 3.7 Notes

AFCARS

5146	AFCARS Updt #20 logic to exclude non-afcars plcm	On the AFCARS window, a placement that was a discharge from all placements but had a Placement Status of 'Kinship Care - Voluntary (Non-AFCARS)' is not reported in Element #20 (Discharge from Previous Episode).
------	--	--

Assessment

5460	Initial Assessment - Primary Caregiver field	The Maltreatment Rating field is now required on the Maltreatment tab..
------	--	---

Automated Messaging

5429	Automated Message Modifications: Chippewa County	Distribution changes made to Automated Messaging for Chippewa County as requested.
------	---	--

Automated Messaging

5430	Automated Message Modifications: Juneau County	Distribution changes made to Automated Messaging for Juneau County as requested.
------	---	--

Automated Messaging

5479	Automated Message Modifications: Brown County	Distribution changes made to Automated Messaging for Brown County as requested.
------	--	---

5008	Add Ref Data for Marquette County Circuit Court	Marquette County Circuit Court has been added to the Court 2 dropdown selection when Circuit is chosen for the 'Court' field.
------	---	---

Legal Consult

5070	Error Message	The error message on the Legal Action window was updated to read 'Date Information Submitted should be greater than or equal to Date Consult Occurred.' to reflect the actual field names.
------	---------------	--

WiSACWIS Release 3.7 Notes

Legal Consult

5140	County wants PO Box in its Court Address	Address listed as: Washburn County Courthouse, Washburn County 10 West Fourth Ave. PO Box 485 Shell Lake, WI 54871-0458
------	--	--

Maintain Case

4708	TPR Copy Batch-Adoption Case Plan	TPR Copy Batch no longer copies the Adoption Case Plan over to the Pre-Adoptive Case since there should not be an Adoption Case Plan in a CPS Family case.
------	-----------------------------------	--

Maintain Case

5154	Relationship Type	A Relationship of 'Former Significant Other' was added to the relationship field on the Case Maintenance, Services Intake and PS Report windows.
------	-------------------	--

Maintain Case

5332	Out of Home Placement	<p>The items below are a brief description of the items changed on the Home Provider License, Out of Home Placement and Service Ending windows. Please see the Release Information Sheets section of the WiSACWIS Knowledge Web for more information:</p> <p>http://apps.dhfs.state.wi.us/wisacwis/knowledge_web/Helpdesk/quick_ref_guides/quick_reference_guides.htm</p>
------	-----------------------	--

Home Provider License Window:

1. A 'Date Completed Application Recd' field was added to the License Information group box. A designated county worker can record the date that the completed application was received in this field.

Out of Home Placement Window:

1. A 'Date Removed from his/her Home' field was added to the Service tab and will only be enabled in certain situations. The field will be used to record the date on which the child was physically removed from the home.
2. The 'Is this an Initial Out of Home Placement' checkbox was removed from the Service tab.

WiSACWIS Release 3.7 Notes

Maintain Case

3. The 'Date Removed from his/her Home' field will drive the requirement of the Removal Information, Removal Reasons and the Removal flag.

Service Ending pop-up Window:

1. The reference values in the 'End Reason' field were reduced and modified.
2. The answer to the Discharge from all Placements question will be system derived based on the value selected in the 'End Reason' field.
3. The 'Discharge Reason' field will be enabled based on the system derived answer to the Discharge from all Placements question.
4. The values in the 'Discharge Reason' field will be filtered based on the value selected in the 'End Reason' field.
5. An 'Override' checkbox was added to the pop-up to allow a worker to override the placement ending and will only be enabled in certain situations.

Case Closure Batch:

1. A case will be prevented from being closed if the last placement does not have a value in the 'Discharge Reason' when the Discharge from all Placements question is answered 'Yes'.
2. A case will be prevented from being closed if the child was adopted and does not have the appropriate Legal Status documentation.

Maintain Case

5333 Case Provider
Assignment

The worker's location information on the Maintain Worker Information cannot be modified if the Worker has open assignments. The worker's assignments will have to be closed or reassigned before a worker's location information can be updated.

The Location of the worker at the time the assignment is created will be stored in the Location field on the Worker Assignment window.

WiSACWIS Release 3.7 Notes
